

The Mayor has ordered that as of 12:00 p.m. on Friday, March 13, 2020, Town Hall be closed to the public to reduce the threat of spreading COVID-19.

There is Town Staff available on site during normal office hours to serve the community, but only by advance appointment. To make an appointment, residents are urged to call Town Hall at 425-454-6994, or email depclerk@yarrowpointwa.gov

All public meetings are cancelled through the end of March; meeting cancellations may be extended if conditions warrant.

Any potentially at-risk Town Staff have been directed to utilize remote technology to work from home when possible.

Preserving and enhancing Yarrow Point's environment and community
